ONLY 2 WEEKS TO GO THANK-YOU FOR YOUR ONGOING SUPPORT

A lot has happened in just one week. Thank-you to those stall convenors old and new who have taken up the challenge in 2017. Without your time and contributions, the Carnival wouldn't be the event it is.

Silent Auction – Convenor Urgently needed We still have 1 vacancy that we urgently need to fill. The Silent Auction still needs a convenor. We have a number of helpers to assist you already and the roster is done. It's the leader we need. Is this a job for you? Please contact Cameron if you have any interest at all in taking on this role.

Are you happy to "Connect & Collect"? We are looking for a team of 3 or 4 parents to connect and collect from donors in our community with guidance from our Silent Auction team. **Please contact Cameron if you are interested.**

FIESTA LATINO Attention Year 7 Families

My name is Simon Mungarrieta and I am the convenor of the LATIN FOOD LOVERS stall and I'm writing today to tell you that the Villa International Carnival 2017 is fast approaching. I wanted to tell you for the first time this year you will all be treated to some traditional (and delicious) Latin food.

Firstly "Buen Provecho", which in Spanish means "Enjoy your food" because we will be serving up a storm of tantalising Mexican tacos, noteworthy nachos, and our famous Venezuelan/Colombian Arepas.

Secondly, I would like to invite everyone to come to the stall to take part in my special spicy sauce challenge. My Abuela past our family's special spicy sauce recipe down to me after passing away at 107 years old and it would be my privilege to have you all experience this part of my culture.

In order to do everything we are planning for you we will require refrigeration for the meat dishes so please do not worry about sending in any food. We will be happy to speak directly with the most authentic suppliers in our area to ensure we give you the richest and most immersive Latin cuisine experience. With this being said, and with our intent to buy ingredients in bulk, we are looking for your generous donations to be in cash, so that we can easily coordinate everything needed for the day.

Let us do the cooking for you too! We are confident in our culinary skill sets, and our passion for delicious and well-presented dishes. This way our traditions and foremost our exotic Latin flavours will shine through while you enjoy the most authentic Latin food you have ever eaten IN YOUR LIFE!

So don't forget to shake your hips on down to our stall where the music will be pumping, the sauce will be hot (if you can handle it), the smiles will be big, and the food will be DELICIOSO!
