CELEBRATING 70 YEARS

THANK YOU!

Hello to all our Villanova Parents, Students and Friends,

The International Carnival is over for another year, and it was a fantastic night! The weather was great, the crowds came out, and the event went to plan.

I saw lots of activity in every corner of the college, from the ever-popular Lob-a-Choc, to the new Virtual Reality Experience, down to the Social Hub where our Villanova musicians pulled very large crowds. I am very proud of all our stalls. Terrific work!

Every part of the Carnival was alive and our guests were very well entertained and catered for. Each year our Stall Convenors continue to impress with new ideas and energy to make the event even better than the last.

The carnival is a significant social fund raiser, and this year the funds raised will be directed to the planned refurbishment of Tolle Lege. This is an important upgrade to a core facility for all of our boys.

We are extremely grateful for all the contributions and support we have received for the carnival from our parents, volunteers, sponsors, and of course from the Stall Convenors and the Carnival Committee. These dedicated and selfless contributions make our International Carnival such a success.

I personally want to pass on my thanks to our whole team for their invaluable efforts.

So, that's it for the 2018 International Carnival and I hope to see you all again in 2019 as one of our guests, or highly valued volunteers.

Yours Faithfully
