

WHAT IS THE QAS VOLLEYBALL PROGRAM?

Volleyball Australia: Queensland Academy of Sport Volleyball Program - This is a partnership between Volleyball Australia (VA), Queensland Academy of Sport (QAS) and Volleyball Queensland (VQ).

The QAS Volleyball Program has been established to provide a high performance daily practice environment for young athletes that have been identified as having the potential to be able to play Volleyball (Beach and/or Indoor) at the international level for Australia with the ultimate goal of being successful at the Olympics.

WHAT IS THE EMERGING TALENT SQUAD?

The emerging talent squad is a new initiative of the QAS Volleyball program in 2018 that will develop grassroots volleyball players (targeting 15 years and younger) and will **teach fundamental movement skills as well as volleyball specific techniques.**

WHAT EXPERIENCE DO I NEED?

Athletes do not need to have any volleyball experience, but a **desire to learn, grow and improve** as a volleyball athlete is essential.

The QAS Volleyball Program feeds into school, club and state squad activities. We highly encourage all of our athletes to participate in these other programs simultaneously with their QAS training.

HOW MUCH WILL IT COST?

If selected in the 2018 Emerging Talent Squad, the fee will be **\$550.**

The squad fee will cover:

- Professional coaching and expertise
- Weekly court training and equipment
- Emerging Talent Squad uniform
- QAS exercise equipment pack
- QAS educational information/seminars

HOW OFTEN WILL WE PRACTICE?

Emerging Talent Squads will be scheduled for practice **once per week***.

The program year will go May 2018 – March 2019

Sunshine Coast – Thursday Afternoon / Nights

South Brisbane – Saturday Mornings

North Brisbane – Sunday Mornings

*There will be times throughout the year where squads will not have practice due to availability of venues, coaches and clash with competition

ARE ALL THE CENTRES THE SAME?

Yes, all emerging talent squad centres will provide the same opportunity to athletes. You can choose which centre you would like to be considered for.

We suggest athletes select the centre that is geographically closest.
