

2018 Villanova International Carnival Wrap up

Villanova College, Sixth Ave, Coorparoo

CELEBRATING 70 YEARS

TREMENDOUS RESULT

The International Carnival is the largest social fundraising event in Villanova College's annual calendar and we have just finalised our accounts for the 2018 International Carnival.

I am very proud to announce that the Carnival achieve a profit of \$60,000, up by nearly 40% on 2017.

This is a tremendous achievement reflecting all the hard work and contributions from our Stall Convenors/Committee, Sponsors, Volunteers and everyone in the College community who donated their time, products, and funds.

Thank you and congratulations to all.

RE-INVESTMENT

The P&F is very keen to reinvest the funds raised from various events during the year back into the College. This has seen a number of improvements for the boys, such as fans in Goold Hall, upgrades to the Goold Hall Canteen, and water coolers to name a few.

For 2018, a project has been identified that will continue this agenda of improvement. The 2018 Carnival funds will directly benefit the essential replacement and expansion of the shade sail structures in the Quadrangle.

This project will see the aging infrastructure replaced to increase the shade and amenity of the space, enhancing another aspect of our boy's day to day College lives.

CARNIVAL CONVENOR

I have enjoyed contributing and guiding the International Carnival for the last three years and next year's 2019 International Carnival will be my fourth and final year as Carnival Convenor. Helping the P&F and Villanova College grow our social and financial position has been very rewarding and I am now looking for my successor to continue this role.

When I started as Carnival Convenor I had no past fete experience whatsoever in any form. Seriously, I was a total novice. My ability to serve in the Carnival Convenor position is entirely thanks to the tremendous stall convenors and committee around me. Being the Carnival Convenor is not a one-person show, but the collation of the significant experience and knowledge of the team. The Carnival Convenor gives a central point of connection for the team and supports the team to do their best.

I am keen to find a new Carnival Convenor now as I believe this is the best option. As the new Carnival Convenor you will benefit from the opportunity to observe the 2019 Carnival activities, thus giving you the experience foundation for the 2020 carnival. This is a great opportunity to work with a fantastic team and contribute significantly to Villanova College. Please contact me if you are interested.

Once again, a huge thank you to everyone involved in the Carnival.

Yours faithfully,

Cameron Clelland
