We are entering into an exciting new chapter of the Club, as we will be moving back to the newly refurbished state of the art Swimming Complex at Langlands Park Memorial Pool in the next few weeks.

This is sure to be one of the best swimming facilities in Brisbane and we are so proud and excited to be associated with the pool, Jan Arndt and her team.

On returning to Langlands, we return to Club Nights every Friday night. This is a wonderful social event each week for parents and children alike.

We hope to see you on Saturday!
