

Flexischools is an online payment system which operates at Villanova College for purchases and payments including the Tuckshop and Uniform Shop, either online or via a student's ID card.

### **Villanova College Uniform Shop**

After placing an online order via your Flexischools account and making an online payment, orders will be processed, packaged and ready for collection during morning tea on the following Monday to Friday. Students are also able to purchase items by swiping their student card.

### **Villanova College Tuckshop**

There are five point of sale terminals installed in the Villanova College Tuckshop where students are able to purchase items by swiping their student card. Parents are able to place daily spending limits on cards as well as monitor what has been purchased by logging into your account.
