

# ETHICAL CONSIDERATIONS

---

## As a Director of the Villanova College Board have you?:

- (a) Given the necessary time, thought and study to the work of the Board so that you have rendered effective service. Has the Board benefitted as a result of your appointment?
- (b) Willingly shared your own wisdom and listened to the wisdom of others until a consensus is reached. Have you voted with considered and honest conviction?
- (c) Abided by, upheld and committed and be seen to be committed to a final decision of the Board regardless of an individual stand taken by any issue?
- (d) Always actively contributed to solving problems through the application of due process?
- (e) Always and without exception kept confidences shared during meetings of the Board?
- (f) Actively worked to ensure that communication between the Members, the Directors, the Principal and staff are always free, frank and open?
- (g) At all times, had the welfare of the students and adults served by the Board as a priority when making decisions?
- (h) Corrected misinformation when encountered at a Board meeting?
- (i) Exercised appropriate judgement and distinguished between educational policy and its implementation in discharging your role?
