

RELIGIOUS EDUCATION POLICY (BOARD OF DIRECTORS)

PURPOSE OR RATIONALE

Villanova College is a Catholic College “striving for excellence in boys’ education as an Augustinian community one in mind and heart on the way towards God”. Villanova College is a College where education is the formation of the whole person within a faith community. The staff, parents and students both past and present contribute their gifts and talents towards the development of young men of Gospel values who seek the common good. The community promotes life-long learning through continually challenging itself in the restless search for Truth. ii

It is the Catholic Church’s Vision in the Archdiocese of Brisbane that “schools and colleges aspire to educate and form students who are challenged to live the gospel of Jesus Christ and who are literate in the Catholic and broader Christian tradition so that they might participate critically and authentically in faith contexts and wider society.” iii

Villanova College is, in partnership with parents and parishes, part of the Church’s mission in the Archdiocese of Brisbane to educate and support the faith of its members. Villanova College embraces the living tradition of the Catholic Church, enriching the mission of the Archdiocese of Brisbane with its Augustinian charism and organisational independence. It is witness to the Gospel vision of life, centered on Christ, and challenges those values of contemporary Australian society which erode the dignity of the human person. iv

Villanova College contributes to the faith development of its students.
