

COVID SAFE PLAN FOR RUGBY AND FOOTBALL FIXTURES AT CURLEW PARK

COVID SAFE INFORMATION

Please follow all instructions as per the signage and Security staff.

Come to the venue already dressed in your playing uniform.

Warm Up - Players are not to arrive more than 25 minutes before their kick-off time.

Except for 1st team matches, there will be **no changing facilities** available at the venue.

Toilet facilities will be available.

All players should have their own water bottle clearly marked with their name.

All players, coaches and spectators are encouraged to wash hands prior to attending the venue.

All players, coaches and spectators are encouraged to use the hand sanitiser provided, before and after their match.

Site Registration

ALL parent spectators will be expected to sign in and record their details via the EVA app. QR Codes will be at all entry points. You can also pre-populate your information by scanning the code below with your camera. **Please do the right thing and scan in on arrival at the ground.**

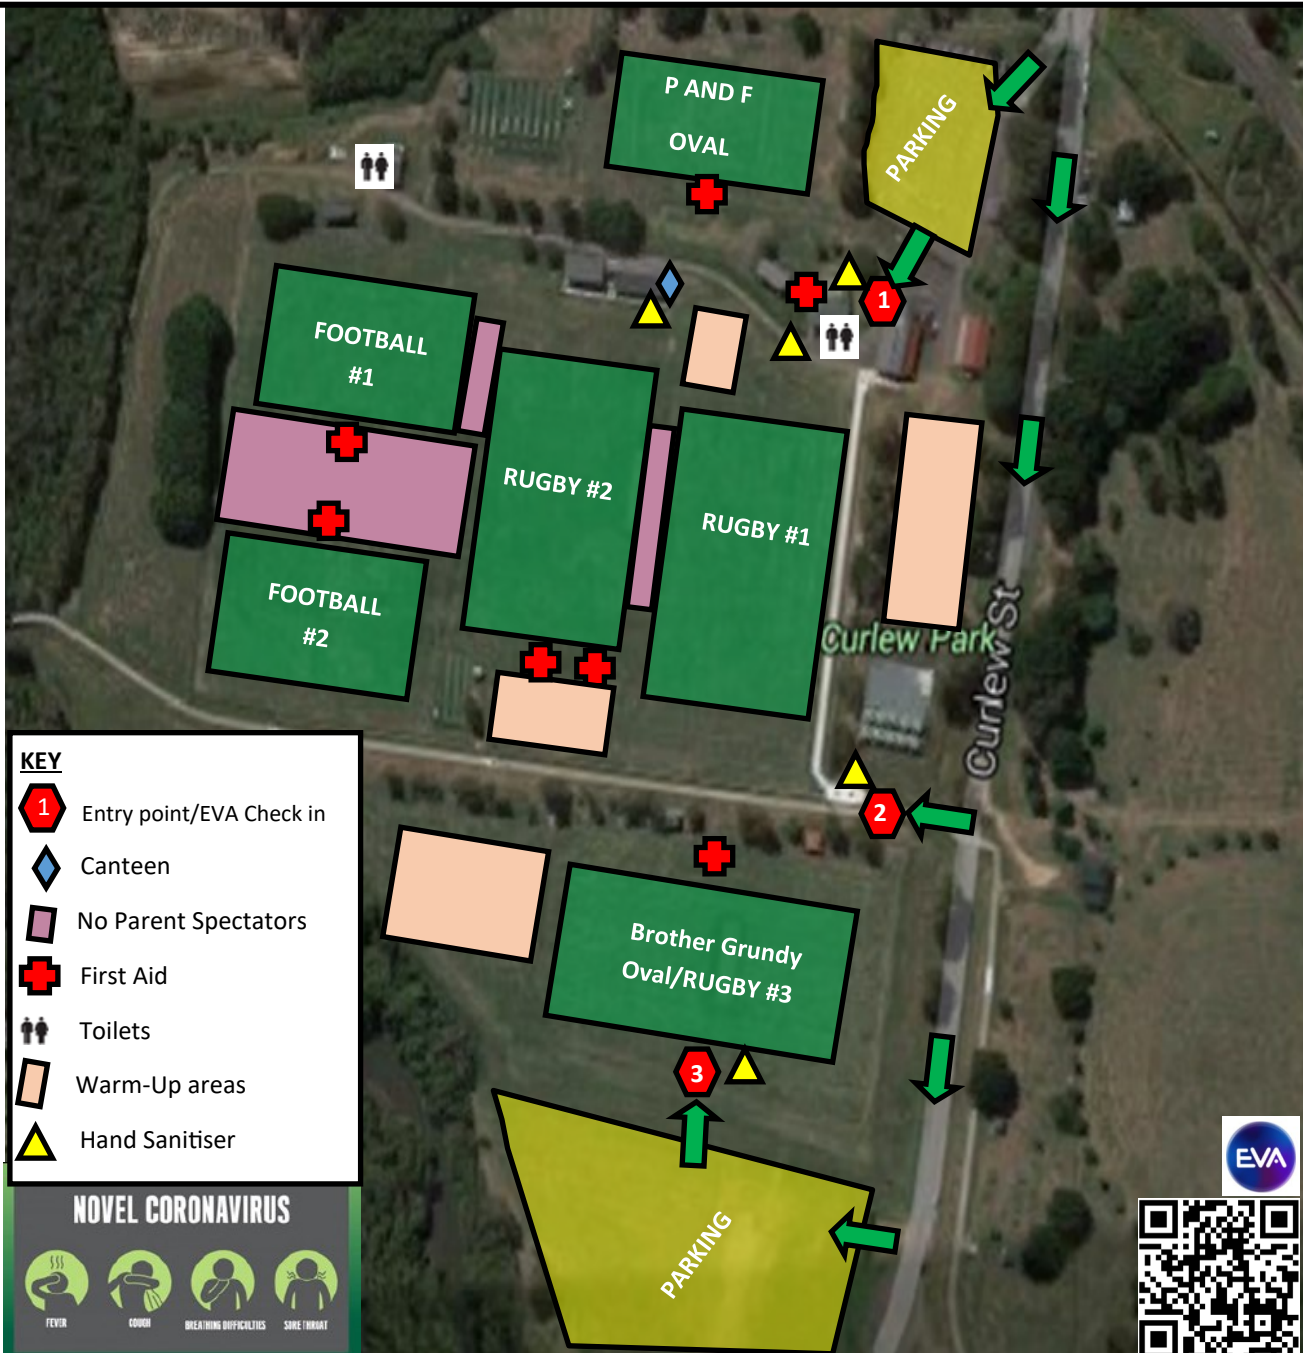

We encourage all members of the community to download the COVID safe App.

Parents are asked to limit to a **maximum of two spectators** per student and to be mindful of social distancing.

A limited canteen service will be available.

Get in - play - get out. Once a match has finished, students, staff and parents are asked to leave the facility as quickly as possible and not hang around and co-mingle with other groups.

If you are displaying signs or symptoms of illness or feeling unwell do the right thing and stay at home.
