Dear Parents and Guardians

## SPORTS TRIAL INFORMATION – NEW STUDENTS 2022

Villanova College is very much looking forward to welcoming you and your son into our college community. We understand the transitioning of a student from one school to the next places a level of anxiety on all families as a new school environment brings about much change. Our aim is to conduct sports trials in Term 4 this year so that your son may have the opportunity to meet new friends and become more comfortable with his new school before he commences next year.

Villanova College is a member of the AIC (Associated Independent Colleges) Sports Association which is a sports competition involving students from Years 5 - 12. Villanova College offers many opportunities for all its students to play a wide variety of sports throughout the year and to represent the College. This letter will summarize the sporting arrangements on offer in **Term 1 only** for all new Year 5, Year 6 and Year 7 students entering Villanova College in 2022.

As the sports offered in Term 1 begin the very first week of the 2022 school year, we believe it is best to conduct all trials this year. Our goal is to have all teams and squads selected before the end of 2021. This will allow the College's sports program to run smoothly at the commencement of the 2022 school year. Though more importantly, our experience suggests that conducting and completing sports trials in the previous year will lessen the burden and worry placed on students and their families as they enter their very first week at Villanova College in 2022.

Students entering Villanova College in 2022 have the option of participating in the following sports in Term 1 as outlined in the table below:

Student's Year Level in 2022	Sports Available in Term 1	Level of Commitment Required in Term 1
Year 5 and Year 6	<p><b><u>Cricket or AFL and Swimming (no Volleyball)</u></b></p> <p>Students choose between cricket or AFL, not both as they are both played on Saturday mornings. All students can participate in swimming.</p>	<p><b><u>Cricket, AFL and Volleyball</u></b></p> <p>One to two training sessions held weekly in Term 1 before or after school. Matches to be played during Saturday morning each week in Term 1.</p>
Year 7	<p><b><u>Cricket or AFL or Volleyball and Swimming</u></b></p> <p>Students choose between cricket or volleyball or AFL only as they are all played on Saturday. All students can participate in swimming.</p>	<p><b><u>Swimming</u></b></p> <p>Up to three training sessions offered before school. Swim meets will be held every Friday afternoon after school until approx. 6.00pm. Bus transportation is provided.</p>

Students who wish to participate in these sports are asked to complete the 'On-line Sign On' form. The On-line Sign-On form link is found further below. All students are then required to participate in the trials organised for these sports during Term 4, 2021. All trial information including dates and venues can be found within this document.

We have devised a simple check list for you below. We ask that all the online information be completed by Friday 15 October (or earlier should your son wish to join our swim program during Week 1, Term 4).

#### Check List

- Complete the '**Term 1 2022 – On-line Sport Sign On**' form to indicate which sport/s your son wishes to participate in during Term 1, 2022 (sport sign-on forms for other sports offered in Terms 2, 3 & 4 will be distributed next year).
- Complete the '**2022 Coach, Manager and Officials – On-line Nomination Form**' if you wish to assist the College with one of these positions next year. Given the many sporting teams the College generates for each sport, we are unable to cover all teams with a Villanova College staff member. The College does rely on parents, Old Boys and outside bodies to assist the sports program and take on the roles of - coach, manager and official where needed. The assistance from the parent body is needed to cover all roles. You are welcome to nominate yourself if you would like to be involved.
- Complete the '**Villanova College On-line Swimming Registration/Permission and Payment Form**' for those who wish to participate in the Villanova College Swim program. Participation in this program throughout Term 4, 2021 and over the Christmas holiday period is not a guarantee for any student to make the Villanova swim team. A student may choose to join the swimming program next year. We do encourage boys to join though, as regular training strengthens our squad and helps build a positive team culture.
- **All cricket, AFL and volleyball trials will be held in Term 4, 2021.** Students are to arrive at the venue 15 minutes prior to the advertised start time.

**What to wear and bring to trials** – Students are to wear suitable sports clothing including a hat, sports shorts, shirt and shoes. We ask boys not to bring any sports equipment e.g., bats or pads. All equipment will be supplied for the trials.

It is not necessary for a player to have any prior experience playing cricket, AFL or volleyball. We encourage as many new players as possible to try out. **Please note that although we encourage boys to play club sport, the College policy clearly states that all students should give priority to school sport commitments over club commitments.**

If your son/s are interested in participating in the sports offered, we ask you to complete all the necessary forms by the due dates listed.

Please feel free to contact the Villanova College Sports Office on 3394 5621 if you have any concerns or questions. We are more than happy to help. I wish all the boys every success in their trials and during their time at Villanova College. I look forward to meeting you all soon.

Yours sincerely

Mr Craig Stariha  
Director of Sport

## SWIMMING TRAINING – 2021/2022

Villanova College is a member of the AIC (Associated Independent Colleges) which is a school-based competition involving students from Years 5 - 12.

The annual AIC Swimming Championship will be held in Week 7 of Term 1, 2022. For Villanova College to be competitive and to do well, we urge all current students and those who will be commencing their education at the College in 2022 to commence swimming training NOW.

Training will commence for all current students on Tuesday 7 September 2021 and will continue every Tuesday, Thursday and Friday morning throughout the entire season. For those students who are commencing at Villanova in Years 5 and 7 in 2022, training will commence in Week 1, Term 4 2021 (on Tuesday 5 October) as per the schedule below. These sessions will run up to and include Friday 17 December 2021. The program will recommence on Tuesday 4 January 2022 and will run until the end of Week 1, Term 1, 2022 at which time selection trials will be held.

More information regarding these time trials will be given next year.

While the College appreciates that some students may choose to continue their pre-season training elsewhere, we would encourage all swimmers to consider joining the College's program. All students who are interested in joining Villanova's swim team will be required to attend trials in Week 1, 2022. Participation or non-participation in our pre-season schedule will not guarantee a place in our final squad. However, we do believe it will strengthen your chance to do well at the trials and aid in building a strong College swimming culture.

All training sessions will be held at Langlands Park Memorial Pool, located at 5 Panitya Street, Stones Corner. All training sessions will be under the direction of Mr Felipe Barraza Rojas - Villanova Swim Coach (Year 9 - 12) and Ms Kerry Holland - Villanova Swim Coach (Year 5 - 8).

Training is open to all students who hope to become a member of Villanova's 2022 Swim Team or for students wishing to increase their physical fitness. Please note that these sessions are for students who are capable swimmers only, they are not 'learn to swim' sessions. Parents who are looking for 'learn to swim' sessions may wish to enrol their son/s in an alternate program run at Langlands Pool.

### Villanova Swimming Training Schedule

(Commencing Tuesday 7 September for current Villanova students and on Tuesday 5 October for students commencing at the College in 2022)

Day	Students in Year 5 - 12 in 2022
Monday	
Tuesday	7.00am – 8.00am
Wednesday	
Thursday	7.00am – 8.00am
Friday	6.15am – 7.45am

**Fees:** A flat fee of \$150 will be charged per student for all training sessions up until the start of the 2022 school year. This includes all sessions over the summer holiday period. Students are then entitled to attend as many training sessions as possible throughout this period. Altogether, those who join the program could have access up to 50 training sessions throughout this period at a cost of only \$150 (this is \$3 per session by highly skilled and qualified swim coaches). The more sessions you attend the more value for money you receive. This represents outstanding value.

Kerry Holland has asked all members of the Jets Swim Club to participate in at least one of the Villanova squad sessions each week. These additional sessions will help build team spirit and provide further skills training for Met East squads, and relay practice.

For those wishing to enroll in the swim program, please click the link below to register your details online. Information regarding payment can also be found within this link. Please understand that the personal details and emergency contact information provided within the registration form will be shared with the staff from Langlands Pool. Langland Pool does not have access to the College's data base and needs your contact information in the event of an emergency. If your details change you must notify the Sports Office (details below) as the updated information the College receives is not shared with Langlands Pool. If you do not wish for your emergency details to be shared with the staff from Langlands Pool, we will be unable to allow you to participate in the program.

Villanova Swimming Registration Link - <https://form.jotform.com/VillanovaSport/aic-swimming-registration---202122->

**Flipper/Pool Buoy and Bag:** All students are required to purchase their own flippers and pool buoy for training. Langlands Pool will supply your son with a training pack at a cost of \$85. Please find attached the order form, which must be lodged with Langlands Park Pool directly (not Villanova College) to receive your training gear at a discounted price.

For those who wish to take advantage of this opportunity, please complete all information required in the registration link above. It is common for most boys to commence the program in Term 4 although there is an option to start earlier for the current students. Late comers into the swim program will be accepted; however, they will be required to pay the full fee.

# SELECTION GUIDELINES & CODE OF CONDUCT

---

- When signing on for a sport at Villanova College, it will be the understanding of the College that players and parents do so knowing, agreeing and accepting the terms and conditions listed below.
- Villanova College endeavours to provide opportunities for as many students as possible to participate and enjoy the experience of playing sport. All parents, players and coaching staff have the responsibility to ensure that they contribute towards this experience being a positive one for all involved.
- All A&B teams from Year 7 – 11 and most Year 12 teams contest the AIC aggregate for that sport. In doing so, boys are trained specifically to fulfil a certain role which is determined by the coach within that team which may result in a player not playing in every position. For example, not all players in cricket will share equally the bowling, batting and keeping duties from week to week in these teams.
- A&B teams and most Open teams are classified as competitive teams which contest premierships and aggregates. C teams and lower are participatory based teams whereby the main focus would be to allow all participants to 'have a go' and enjoy the experience. C teams and lower may still contest premierships or aim for an undefeated season. A&B teams train twice weekly, C teams and lower train at least once per week or maybe twice depending on the sport, coach and availability of facilities.
- Premierships are not awarded to any Year 5 or 6 teams. Teams will be acknowledged if they remain undefeated throughout the regular season.
- Coaches will select the most appropriate players to suit the overall balance of the team. For example, a basketball coach would not select more than two-point guards. In rugby, not everybody can play the fly half position.
- The selection of all coaches is determined by the College. Villanova College aims to include as many teams as possible into the AIC competition based on the resources available. Due to the large number of teams which Villanova generate for each sport, it is impossible to have all teams taken by staff members or independent/outside coaches. Parents and Old Boys are required to fulfil coaching roles.
- Coaches are appointed specifically by the Sports Office based on coaching experience, willingness to support the College's program and ethos as well as a proven ability to foster, develop and maintain good relationships with members of the Villanova community. The specific positioning of a coach will be based on the overall strategic needs of the College for that sport.
- All coaches must hold a Blue Card or be in the process of applying for a Blue Card via the Sports Office.
- Parents are asked not to undermine or contribute towards any negativity directed at the coach. Matters of concern should be made directly by the person concerned (not others acting on their behalf) to a member of the Sports Office or to the coach directly if done so in a respectful and discrete manner. In no way is it acceptable for a parent (who is not the appointed coach) to intervene with any team selections or get involved in coaching sessions unless invited by the coach or the Sports Office. Most coaches are volunteers and without them your son would not be participating.
- Matters of team selection will always be an issue. As there is a finite number in each team, it is inevitable that players will miss out and be relegated to lower teams. Selections are based on player performance, attitude and attendance. It is in the best interest of players and parents to be resilient and accepting of decisions made. Matters of concern should be dealt with as listed above. Although initial selections may be made by independent selectors (not in all cases), the appointed coach of that team will have an input into the selection and make up of their team. The College does reserve the right to intervene and adjust selections if required.
- Villanova College strives to build and foster harmony within all teams. Any club or other external sporting association matters, including selections and/or rankings, will not have any influence or bearing on Villanova team selections. Matters of grievance within clubs and across clubs should never be carried over to school sport.
