

# Library *Year 5* Matters

7:15PM- 8:30PM  
MONDAY  
8 AUGUST 2022

RSVP: [library@vnc.qld.edu.au](mailto:library@vnc.qld.edu.au) by 4 August

We are here to work with you in helping your son to develop into a lifelong learner.

Let us give you some insight into how we are supporting your son achieve this goal. We can equip you with strategies you can use at home to assist him in developing information literacy skills - accessing reliable quality information, and demonstrating academic integrity.

Reading is the gateway to academic success. The Matthew Effect is real - those who read more become better readers. Together, we can support your son see himself as a reader, experiment with different genres, or if he already reads, consider broadening the breadth of his reading.

Join us for a night of wine, cheese, and information. Please note that this night is designed just for adults - parents/carers. You can expect a Kahoot, trivia, treasure hunt and lucky door prizes. Please adhere to safe practices and attend only if you are well.

*The highlight of our week is working with your son in our Year 5 Reading classes. We know we will love working with you too!*
