

AFAS IMMERSION 2023

Invitation to Student and Parent Information Session

Monday 22 May 7.30pm | St Thomas of Villanova Auditorium

We warmly invite Year 10, 11 and 12 students and their families to the AFAS Immersion Information Evening on Monday, May 22.

This evening will provide valuable information about the program, including its aims, itinerary, costs, and selection process. We will also discuss our comprehensive planning to ensure the health, safety, and security of our students during the immersion.

In addition, you'll have the opportunity to hear from parents and past participants about their reflections on the program. Our team will be available to answer any questions and guide you through the next steps.

Media Player

but not a replacement.

Full parental permission and support are required for students to participate in the program. If you have any questions about the information evening or the immersion program itself, please contact Mrs Kate Garrone at kgarrone@vnc.qld.edu.au.

Students are welcome to attend a Q&A session in V10 during lunchtime on Tuesday, May 23. Please note that this session is not compulsory but is an opportunity to ask questions. It is a good addition to the information session

Do you believe in a fair go for all? Love music, singing, and dancing? Want to learn from amazing young people about their values and vision for the world? Open to self-discovery and experiencing something greater? Ready for growth and challenge?
If you answered 'yes' to these questions, this is your opportunity to make a difference!

Please confirm your attendance by emailing Amanda Waterson at awaterson@vnc.qld.edu.au by Friday 19 May at the latest.
