WELCOME LETTER FROM THE PRINCIPAL

Welcome to Villanova College. A Catholic school in the Augustinian tradition delivering excellence in the development of character, intellect, and spirit in young men. I invite you into our community and to share our vision of excellence in boys' education.

We are proud of our story of Catholic education in the Augustinian Tradition since our humble beginnings in 1948. In those early days the teaching staff were comprised of Augustinian Fathers who held aspirations of high standards in the academic, cultural, and sporting growth of every child, as well as building a lived community of families where members are, "one heart and one mind on the way towards God".

Our challenge today is to deliver an educational foundation that caters to the needs of young men in a dynamic, rapidly changing world. A Villanova education equips our students with the skills, habits and intellect to confidently interact and lead their world, with focus, creativity, courage and strength, while upholding the values of our tradition.

Today, Villanova College caters for more than 1,400 boys from Year 5 to 12 across three distinctive precincts. The Three Schools, One College structure recognises the developmental journey of our students as they move from pre-adolescence to adulthood. Each school is designed to cater for the educational, social, and emotional needs of each student through age-specific programs.

At Villanova we have a vision of the graduate. The sensibilities, attitudes and actions of a young man who has walked the journey in the green and gold. This graduate is built inside and, importantly, beyond the classroom. He is formed through opportunity and relationships. As such, our students have access to a rich variety of cultural, sporting, and social justice programs. The graduate is the 'whole person', with College staff recognising the need to provide opportunities and challenges for students to develop their unique gifts and talents. Each Villanova student is asked to look inside themselves, explore new horizons that will challenge them to excel beyond expectation, and rise to that challenge with the help and support of their peers, parents, and faculty.

A distinct feature of our Augustinian values is the strong sense of welcome and community that unites staff, parents and students. We treasure open, friendly, and caring relationships between teachers and students. As an educator himself, St Augustine considered this an essential element for both good teaching and learning.

We teach boys about life and quality relationships, modelled to us by Jesus. We teach about the interior journey, spiritual reflections and choosing the right actions. We welcome people of all faiths and denominations to share our story of hope.

In this way we continue to forge our reputation as a Catholic college "striving for excellence in boys' education as an Augustinian community, one in mind and heart on the way towards God."

College Principal

Mr Paul Begg

INTERNATIONAL STUDENT ENROLMENT PROCESS

Villanova College is CRICOS registered to provide education to international students who have obtained a student visa to study in Australia. Recruitment of students will be conducted at all times in an ethical and responsible manner and consistent with the requirements of the National Code 2018.

Villanova College will consider enrolment applications from students wishing to apply for a Student Visa, subject to compliance with minimum requirements and conditions set by Villanova College, and with legislative requirements of the State of Queensland and the Commonwealth of Australia, including any requirements to undertake extra tuition to learn English to meet the English language proficiency standard needed to enter mainstream classes. Enrolment at Villanova College is conditional upon full participation in the school curriculum as well as adherence to Villanova College policies as detailed in this document.

International students, who do not speak and write English as their first language, come to Villanova College having obtained satisfactory English test scores or through an accredited college offering the English Language for International students Courses (ELICOS). Usually this ELICOS course is undertaken in Australia. Currently, this is organised by our agents through whom an application to attend Villanova College is made.

Applications for enrolment must be made on Villanova College International Student Enrolment Application Form. This must be correctly completed and must be accompanied by the following documents to support the application:

- Copies of student report cards from the previous 1 years of study, including a copy of the latest student report;
- A completed Reference Form from the student's current or most recent School Principal is also required if the student's Report Cards do not record student behaviour or commitment to studies;
- Appropriate proof of identity and age;
- A completed Subject Choices Form if appropriate;
- Written evidence of proficiency in English as a second language
- Photocopy or scanned copy of passport page with name, photo identification, passport number and expiry date;
- Letter of Offer from another registered provider if applicable
- Enrolment Application Fee (non-refundable)

Where the above documents are not in English, certified translations in English are required, with necessary costs to be met by the applicant.

An application for enrolment can only be processed when all the above are in the hands of the International Students Co-ordinator.

Applications from overseas students are processed according to established policy and procedures and are dealt with on their merits. Failure to disclose details required as part of the application process may later result in cancellation of enrolment.

Assessment procedures include an evaluation of reports from previous schools and of English language proficiency. In cases where report cards are not available or are inconclusive for any reason, Villanova College will require relevant testing of the applicant to assess the application.

Onshore applications for Years 11 and 12, where the student is transferring from another CRICOS registered provider, will only be considered where the transfer, if accepted, allows the student to achieve a successful study outcome at the end of the enrolment.

Offshore applications for direct enrolment in the Senior Secondary School course will not be considered. Year 10 at Villanova College is a prerequisite for studying the Senior Secondary Course.

Villanova College requires evidence that the applicant's academic ability and English proficiency is sufficient to successfully meet the entry and curriculum demands of the intended course. Students undertaking a package of courses will have their academic and English language capabilities re-assessed prior to the commencement of each course in their enrolment package. This is a requirement under the 2018 National Code of Practice, Part B Standard 2.

ACADEMIC REQUIREMENTS FOR ACCEPTANCE

Students must provide evidence of satisfactory academic performance appropriate for entry to the year level requested on the Application for Enrolment or offered as an alternative point of entry by the College in a Letter of Offer.

For entry into Years 5 or 6 the applicant needs to present evidence of application to school work and age-appropriate achievement in literacy and numeracy areas of the curriculum.

For Year 7 to 11 students, the entry requirement is a pass level 'C' grade or better for the majority of core subjects.

English Language Proficiency Requirements

Applicants are assessed individually based on the contents of their report cards and personal references and may also be required to undertake a language proficiency test or an interview set by the College.

If supplied, Villanova College will assess evidence of English language proficiency presented by a student at the time of application but reserves the right to confirm the student's English language proficiency through additional tests and or interviews.

If not presenting appropriate evidence of English language proficiency at the time of application, Villanova College will assess the student's application for entry by means of additional testing and will require the student to attend an interview (in person or via video link) with the Head of School and the teacher of ESL at Villanova College to assess the extent to which the student is likely to achieve the outcomes of the course based on the applicant's level of English and academic results. Villanova College accepts results from the following test instruments, other English Language Proficiency tests will be correlated based on the below recognised tests.

Year Level	IELTS	TOEFL	AEAS	PTE Academic	EIKEN
Years 5 to 6	N/A	N/A	45+	N/A	N/A
Year 7	4	32	50+	30+	2
Years 8 to 9	4.5	35	57+	30+	2A
Year 10	5.5	46	70+	42+	Prep1
Year 11	6	46	80+	45+	Prep1

Students should note that if their language proficiency is below that outlined above, or if Villanova College has concerns about the student's language proficiency and their ability to function at the requested year level of entry, the student may be required to undertake an intensive English language (ELICOS) course before beginning mainstream studies.

Those students who have undertaken an intensive English language course before beginning mainstream studies, will have their English language proficiency will be reassessed at the conclusion of the language course to ensure the student's level of proficiency is sufficient to allow them to commence their mainstream course.

Note that where a student cannot, or will not, meet the English language or academic requirements for entry into their first mainstream course, Villanova College may choose to offer entry into a mainstream course at a lower year level.

The Enrolment Process

Should Villanova College decide to offer the student a place, a 'Letter of Offer and Written Agreement', which is conditional upon obtaining a satisfactory standard of English Language proficiency, will then be sent to the student, upon receipt of which he and his parent(s) / legal guardian(s) if the student is under 18 years, is to:

- Complete and sign the Written Agreement
- Return the Written Agreement to the College and Agent
- Pay the invoiced amount to the College (Enrolment Confirmation Fee [non-refundable], Tuition and Non-tuition fees for his first semester at Villanova College).

Please note that in most cases the student will be younger than 18 years of age and the agreement will need to be signed by a parent.

A Confirmation of Enrolment (CoE) and if unaccompanied, Confirmation of Appropriate Accommodation and Welfare (CAAW) will then be created in PRISMS.

The student will then proceed with his ELICOS tuition, usually conducted in Australia and organised through AIECG or one of our other agents and will be granted an interview with Villanova College towards the end of his ELICOS course in Australia. At that stage, the student will be advised of commencement arrangements at Villanova College and will be assisted with the purchase of his Villanova College uniform. This is at the student's own expense.

Do not travel to Australia before commencement dates of CAAW if you are under 18 years of age.

It is a requirement under Australian Law that Australian education providers take responsibility for the accommodation and welfare arrangements of unaccompanied foreign students under the age of 18 from the time they arrive in the country, for the purpose of undertaking the course that they enrolled in, until the time they leave. The dates between which a particular provider will take on this responsibility are noted on the CAAW which is lodged with the Department of Home Affairs (Immigration) by the provider.

As the student may well undertake ELICOS tuition at another Australian education institution prior to commencing his course at Villanova College, we encourage you to ensure that you do not come to Australia before the commencement date of the CAAW period for which that institution has taken on responsibility for your accommodation and welfare arrangements.

Should you have any queries in this regard please contact the relevant agent or the International Student Co-ordinator at Villanova College at awang@vnc.qld.edu.au

Subject Suitability

To assist International students with the selection of suitable subjects and courses, the Dean of Teaching and Learning, the College Pathways Coordinator, Heads of School, the teacher of ESL and the Dean of International Students are available for consultation. They can help the student by assessing their individual needs and English proficiency level and matching those needs with the education outcomes of the available subjects and courses.

Course Credits

Students may apply for Course Credit. Course credit may be offered as outlined below:

- For students transferring from interstate up to Year 10, Villanova College **does not** offer course credit and entry into any course is subject to the assessment of Villanova College.
- For students transferring from overseas, Villanova College **does not** offer course credit.

STUDENT PROGRESS AND ATTENDANCE AND COURSE DURATION POLICY

Overseas students are required to meet and maintain satisfactory course progress and attendance requirements under visa condition 8202 and under Standard 8 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

1. Monitoring Course Progress

- a) Villanova College will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- b) The course progress of all students will be assessed at the end of each study period / semester of enrolment according to Villanova College's course assessment requirements.
- c) Students who have begun part way through a study period / semester will be assessed according to Villanova College's course assessment requirements after completing one full study semester.
- d) Students must demonstrate academic outcomes each semester that allow them to remain on track for progress to the next year level.
- e) To demonstrate satisfactory course progress for **Years 5 and 6**, students will need to demonstrate academic outcomes each semester that allow them to remain on track for progression to next year level.

To demonstrate satisfactory course progress for **Years 7 – 9**, students will need to achieve a minimum of a C grade in English and Mathematics, and a minimum overall achievement of a C grade, with no more than three other subjects below a C grade at the end of each semester.

To demonstrate satisfactory course progress for **Year 10**, students must need to achieve a minimum of a C grade in English and Mathematics; and a minimum overall achievement of a C grade, with no more than two other subjects studied below a C grade at the end of each semester.

To demonstrate satisfactory course progress for **Years 11 and 12**, students must remain eligible to be awarded a Queensland Certificate of Education (QCE) at the conclusion of Year 12. Students enrolled for all four Units of a Senior Secondary Course will be identified and notified as being 'at risk' of not achieving satisfactory course progress anytime the student does not demonstrate a 'pass' grade for a subject they rely on to meet either their literacy or numeracy requirements or are counting on to meet the required credit points to be awarded a QCE.

Demonstrated effort could include:

- Making measurable improvement gains over the semester
- Attending additional English language classes
- Attending additional voluntary tutoring sessions
- Seeking help from teachers
- Thorough attempts and timely submission of all homework and assessment tasks
- Evidence from parents / guardians / homestay parents that the student is spending significant time studying at home

- f) If at the end of a study period a student does not achieve satisfactory course progress as described above, the Dean of Teaching and Learning will formally contact the parent(s) / legal guardian(s) to advise that the student is at risk of breaching the course progress requirement and that there will be a meeting with the student to develop an intervention strategy for academic improvement. This may include:
- i) Subject tutorial support during class time
 - ii) After hours' tutorial support
 - iii) Mentoring
 - iv) Additional ESL support
 - v) Change of subject selection, or reducing course load (without affecting course duration)
 - vi) Counselling - academic (time management / academic skills) and personal
 - vii) Offer to repeat a year level (requiring an extension of course duration)
 - viii) Other intervention strategies as deemed necessary
 - ix) Offer to repeat a year level (requiring an extension of course duration)
- g) A copy of the student's individual strategy for academic improvement and any relevant progress reports will be forwarded to parents. Parents will be advised if the proposed strategy has any implications for fee payable, the student's progression through a package of courses, or the student's visa. Where a proposed intervention plan has significant implications for the student's course of study (as originally agreed), a new written agreement will need to be established. A new CoE may also be required.
- h) The student's individual strategy for academic improvement will be monitored over the following study period by the Dean of Teaching and Learning and records of student response to the strategy will be kept. Parents / legal guardians will be kept informed of the student's academic progress while the student is receiving formal intervention.
- i) If the student does not achieve satisfactory course progress by the end of the next study period, Villanova College will advise the student in writing of its intention to report the student for breach of visa condition 8202, and that he has 20 working days in which to access Villanova College's internal complaints and appeals process. The notification of intention to report will be issued to the student prior to the commencement of the next semester. Following the outcome of the internal process, if the student wishes to complain or lodge an external appeal about a decision made or action taken by Villanova College, he may contact the Overseas Student Ombudsman at no cost. Please see Villanova College's Complaints and Appeals Policy for further details.
- j) Villanova College will notify the ESOS agency via PRISMS of the student not achieving satisfactory course progress as soon as practicable where:
- i) The student does not access the complaints and appeals process within 20 days, or
 - ii) The student withdraws from the complaints and appeals process by notifying the Principal of Villanova College in writing, or
 - ii) The complaints and appeals process results in a decision in favour of Villanova College.

2. Completion within expected duration of study

- a) As noted in 1.a., Villanova College will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- b) Part of the assessment of course progress at the end of each semester will include an assessment of whether the student's progress is such that they are expected to complete their studies within the expected duration of the course.

- c) Villanova College will only extend the duration of the student's study where the student will not be able to complete their course by the expected date because:
 - i) the student can provide evidence of compassionate or compelling circumstances (see Definitions below)
 - ii) the student has or is participating in an intervention strategy as outlined in 1.e.
 - iii) an approved deferment or suspension of study has been granted in accordance with Villanova College's Deferment, Suspension and Cancellation Policy.
- d) Where Villanova College decides to extend the duration of the student's study, the College will report this change via PRISMS within 14 days and / or issue a new CoE if required. In this case, the student will need to contact the Department of Home Affairs (Immigration) to seek advice on any potential impacts on their visa, including the need to obtain a new visa.

3. Monitoring Course Attendance

- a) Satisfactory course attendance is attendance of 80% of scheduled course contact hours. (NB the National Code Standard 8 specifies a minimum attendance requirement of 80%, or under certain conditions, of 70% as outlined in Standard 8.15).
- b) Student attendance is:
 - i) Checked and recorded daily
 - ii) Assessed regularly
 - iii) Recorded and calculated over each study period.
- c) Late arrival or early departure from Villanova College will be recorded and will be included in attendance calculations.
- d) All absences from Villanova College will be included in absentee calculations and should be accompanied by a medical certificate, an explanatory communication from the student's carer or evidence that leave has been approved by Head of House.
- e) Any absences longer than **three** consecutive days without approval will be investigated.
- f) Student attendance will be monitored by the Head of House, and House Mentor every three weeks over a study period to assess student attendance using the following method:
 - i) Calculating the number of hours the student would have to be absent to fall below the attendance threshold for a semester e.g. number of study days x contact hours x 20%. For example, a 20-week semester with five contact hours a day would equal 500 contact hours. 20% of this is 100 hours.
 - ii) The monitoring process will include a review of the reasons given for student absence, including a determination of whether compassionate and compelling circumstances apply (as per Definition, below)
 - iii) Where a student's absences represent grounds for the student to apply and be approved for a deferment of study or temporary suspension of enrolment, those absences will not be included in the student's attendance calculations for that study period (see Villanova College's Deferment, Suspension and Cancellation Policy.)
 - iv) Attendance for any period of exclusion from class will be assessed under Villanova College's Deferment, Suspension and Cancellation Policy.

- g) Parents of students at risk of breaching Villanova College's attendance requirements will be contacted by email or phone and students will be counselled and offered any necessary support when they have absences totalling 10% in any study period.
- h) If the calculation at 3.f. indicates that the student has fallen below the 80% attendance threshold for the study period, Villanova College will assess the student against the provisions of Item 3.i. (below). Where the student has failed to meet the minimum attendance requirement, and evidence of compassionate and compelling circumstances do not apply, Villanova College will promptly advise the student of its intention to report the student for breach of visa condition 8202, and that he has 20 working days in which to access Villanova College's internal complaints and appeals process.
- i) Villanova College will notify the ESOS Agency via PRISMS of the student not achieving satisfactory course attendance as soon as practicable where:
 - i) The student does not access the complaints and appeals process within 20 days
 - ii) The student withdraws from the complaints and appeals process by notifying the Principal of Villanova College in writing,
 - iii) The complaints and appeals process, including any external appeal made by the student, results in a decision in favour of Villanova College.
- j) Students will not be reported for failing to meet the 80% attendance threshold for a study period where:
 - i) the student has produced documentary evidence in a timely manner clearly demonstrating the presence of compassionate or compelling circumstances e.g., medical illness supported by a medical certificate or as per definition below, and
 - ii) the student's attendance has not fallen below 70% for the study period.
- k) The method for calculating 70% attendance is the same as that outlined in 3.f. with the following change; number of study days x contact hours x 30%.
- l) If the student's attendance falls below the 70% threshold for the study period, the process for reporting the student for unsatisfactory attendance (breach of visa condition 8202) will occur as outlined in 3.h –3i.

4. Definitions

- a) **Compassionate or Compelling Circumstances** are circumstance that are beyond the control of the student that are having an impact on his progress through a course. These could include:
 - i) serious illness, where a medical certificate states that the student was unable to attend classes
 - ii) bereavement of close family members such as parents or grandparents (with evidence of death a death certificate if possible)
 - iii) major political upheaval or natural disaster in the home country requiring emergency travel that has impacted on his studies
 - iv) a traumatic experience which has impacted on the student (these cases should be where possible supported by a police or psychologists' reports)
 - v) where Villanova College was unable to offer a pre-requisite unit
 - vi) inability to begin studying on the course commencement date due to delay in receiving a student visa

New Year celebrations, birthdays and any other cultural calendar events or family celebrations are not compassionate or compelling reasons for absence and will be included in the absentee calculations.

For other circumstances to be considered as compassionate or compelling, evidence would need to be provided to show that these were having an adverse impact on the student's progress through the course.

- b) **Expected duration** – the length of time it takes to complete the course studying full-time. This is the same as the registered course duration on CRICOS.
- c) **School day** – any day for which Villanova College has scheduled course contact hours.
- d) **Study period** - Villanova College defines a “study period” as follows:

for the purposes of monitoring course attendance, a study period is a semester

for the purposes of monitoring course progress, in a Primary or Junior Secondary School Course, a study period is a semester

for the purposes of monitoring course progress in a Senior Secondary Course, a study period is a unit of a subject or course of study (i.e., Unit 1 or Unit 2 in Year 11 or Unit 3 and 4 in Year 12).

- e) **Learning options** – the range of subjects and programs as outlined in [learning options 1.2.2](#) of the Queensland Curriculum and Assessment Authority (QCAA) QCE and QCIA Handbook.

COMMUNITY CODE OF CONDUCT

Ethical Statement

An Augustinian approach to education seeks to create a community context in which learning can occur. This close community encompasses students, staff and parents.

The work of Villanova College relies upon rich partnerships between students and teachers, and teachers and parents. These beliefs and practices also extend to other members of the community including past students and parents.

The pastoral care of students, parents and staff is a very important part of Villanova College's character, placing emphasis on community ideals. At all times, but in times of crisis or difficulty especially, all members of the community are encouraged to reach out to those in need.

Villanova College seeks to instil a sense of self-discipline among its students. Students are called to account for their actions, yet the ultimate ideal is one of self-directed righteous behaviour.

Objectives

The Villanova College Community Code of Conduct sets clear standards of behaviour which are expected of members of the College community on campus or when attending any College related function or activity at any other location.

The Code specifies the consequences for any member of the Villanova College community who does not comply with these standards of behaviour.

Principles

- 1) Villanova College will provide an environment where staff share with parents a responsibility for the spiritual, intellectual, physical, social and emotional well-being of each individual student.
- 2) Villanova College will provide a safe, supportive and inclusive environment.
- 3) Villanova College will provide structures and processes which promote mutual trust, honesty, respect and opportunities for mentoring in relationships amongst all members of the College community.

Parental Role

Parents / guardians and carers play an important role in the education of their children and have a responsibility to support the efforts of Villanova College in maintaining a safe and respectful learning environment for all students. This responsibility is fulfilled when

- They show an active but non-invasive interest in the child's work and progress;
- Communicate regularly with Villanova College;
- Ensure their son attends regularly and punctually;
- Promptly reports to Villanova College an absence or late arrival;
- Become familiar with the Villanova College Community Code of Conduct and Community Expectations;
- Encourage and assist their son in following the standards of behaviour; and
- Work with Villanova College in dealing with disciplinary issues involving their son.

Community Expectations

Our community is bound by a shared set of expectations to promote good behaviour, positive relationships, self-responsibility and being “of one mind and heart on our way towards God” (St Augustine). When these expectations are upheld our community is strengthened and affirmed. When we do not meet these expectations, we disconnect ourselves from the Villanovan community and need to consider how we should repair the harm caused to others.

For students to meet these expectations, personal discipline is required for learning and growth of character. This helps strengthen our Villanovan community. Our shared expectations are:

Good Order – Each student’s conduct in the classroom, in the grounds, at College functions and travelling to and from school, is to contribute to the good order within Villanova and our wider community.

Concern and Respect for others – Each student’s conduct is expected to encourage learning and participation, show concern and respect for all people, and enable and encourage each of us to feel pride in the Villanovan community and its traditions. There is no place in Villanova College for teasing, put-downs and hurtful, racist or negative comments.

Respectful Language - Students are to use language that is respectful and non-offensive. Use of racist, sexist, derogatory and explicit language offends others and harms positive relationships between members of our community. Appropriate language use is to be observed in all forms of communication, from everyday conversations in the classroom and yard, to written language and non-verbal cues and gestures.

Respect for Leadership - Students are to show respect and cooperation by responding promptly to instructions given by those in positions of authority or leadership. Where cooperation and respect are observed, classes, teams and groups accomplish their goals in the spirit of community.

Safety and Consideration of others - Students are to consider the safety and wellbeing of others around the school. In particular, students are to walk, rather than run, around the grounds and give way to staff, adults and visitors when travelling between classes and participating in activities and games. This should prevent accidents caused by thoughtless actions so that everyone can feel safe in our College environs.

Promoting a Healthy Lifestyle - To be active and healthy throughout their lives, students are to comply with the College Drug Policy. Regardless of age, students may not smoke or drink alcohol at school, at sporting or College functions, or in public in school uniform. The use of alcohol or prohibited drugs before, during or after College functions is not acceptable and can seriously affect the good order and relationships within our Villanovan community.

Respect for College Uniform Standards - Students are to support and affirm our Villanovan community by wearing the appropriate school uniform correctly at all times. Where items of the school uniform are missing a note of explanation from a parent, guardian or carer is required. The College’s Sun Safe Policy is for all students’ long-term health and safety and is to be observed vigilantly. The Villanova College Hair Policy is also to be observed at all times.

Care for our Physical Environment - Students are to care for the physical environment of Villanova by placing rubbish in the bins provided and promptly assisting in cleaning areas when directed. Students are to leave prohibited items that damage our physical environment at home. These prohibited items include permanent marking pens, correction pens (correction tape is acceptable), chewing gum, hobby knives, spray paint, metal rulers and carving implements. This will enable students, staff and visitors to enjoy a clean and tidy environment.

Respect for the College - Students are to remain outside classrooms and off corridors and stairwells during recess times, and before and after school. Sections of the College campus are designated for particular purposes and, as such, students are to respect the out-of-bounds areas for their respective year levels, unless prior consent for entry or use is given.

Respect for Property - Students are to respectfully use equipment that is lent in good faith by others, and are not to use equipment where permission is not freely given. Students are to use educational equipment (e.g. books, desks, chairs, AV equipment) in a manner that will ensure such equipment will continue to be useful to others over time. Sporting equipment should only be used in appropriate areas. No student is to enter the yards of private houses.

Breaches of this Code of Conduct

The consequences to a member of the College Community for breaching this Code of Conduct or any of the policies on our website www.vnc.qld.edu.au will be determined by the Principal in accordance with Villanova College's Complaints and Appeals Policy and may include one or more of the following:

- Villanova College may ban any member of the College Community from attending any co-curricular activity;
- Villanova College may exclude a student from classes;
- In the instance of serious wrongdoing the College may suspend or cancel a student's enrolment.

Definitions

Serious Wrongdoing: A serious wrongdoing may be a very serious single incident in isolation. For example, there may be a serious wrongdoing where a student has in his possession an illegal drug or drugs on property controlled by Villanova College or on activities involving Villanova College whether co-curricular or otherwise. A serious wrongdoing may also be cumulative behaviour, comprising repeated wrongdoings, that has been the subject of at least one prior warning and communication between Villanova College, the student and his parent(s) / carer(s). For example, there may be a serious wrongdoing where there is repeated and substantial non-compliance with "Community Expectations" as set out above and in the Student Diary or where there is poor academic performance due to a repeated failure to submit assessment items without any reasonable explanation

SUPPORTIVE COLLEGE ENVIRONMENT

Villanova College seeks to affirm each student's worth and dignity. Bullying strikes at the basis of these values and prevents students reaching for excellence in every dimension of life. Students are entitled to receive their education free from humiliation, oppression and abuse. At Villanova, our community values require us to hold those who might bully others to be accountable for their actions so that they might learn more appropriate ways of relating to others, and to provide real support for those who have been affected.

- f) Where extenuating circumstances are deemed to exist, a student may still access the complaints and appeals process, but Villanova College need not await the outcome of this process before changing the student's enrolment status in PRISMS. If Villanova College has issued a CAAW for such a student, welfare provisions under Standard 5.6 are applicable.
- g) The use of extenuating circumstances by Villanova College to suspend or cancel a student's enrolment prior to the completion of any complaints and appeals process will be supported by appropriate evidence.

- c) Deferment of enrolment - To defer or suspend enrolment means to temporarily put studies on hold (adjourn, delay, postpone). Providers do this by notifying the Department of Education, PRISMS of the deferment of enrolment. A student may request a temporary deferment to his or her enrolment on the grounds of compassionate or compelling circumstances. A provider may also initiate suspension of a student's enrolment due to misbehaviour of the student.
- d) Exclusion from class – when a student is not allowed to attend classes for a period of time but may access learning material offline.
- e) Suspension from attending school - when a student is removed from school or class for a period of time. After a suspension, they will return to school or class. When considering suspending a student, the Principal must take into account the disruption to your child's learning, their disability, home circumstances, educational needs.
- f) CoE – 'Confirmation of Enrolment' - The CoE provides evidence of a student's enrolment with a provider registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). This evidence is required before Home Affairs will issue a student visa. The CoE contains information about the Provider, agent (if involved), course and duration of study in which the student has enrolled.
- g) Deferment of enrolment - To defer or suspend enrolment means to temporarily put studies on hold (adjourn, delay, postpone). Providers do this by notifying the Department of Education, PRISMS of the deferment of enrolment. A student may request a temporary deferment to his or her enrolment on the grounds of compassionate or compelling circumstances. A provider may also initiate suspension of a student's enrolment due to misbehaviour of the student.
- h) Exclusion from class – when a student is not allowed to attend classes for a period of time but may access learning material offline.
- i) Suspension from attending school - when a student is removed from school or class for a period of time. After a suspension, they will return to school or class. When considering suspending a student, the Principal must take into account the disruption to your child's learning, their disability, home circumstances, educational needs.

A student may request a temporary suspension to his or her enrolment on the grounds of compassionate or compelling circumstances. A provider may also initiate suspension of a student's enrolment due to misbehaviour of the student. It is important to note the meanings of the terms for this context – suspension of enrolment is not necessarily due to misbehaviour – suspension of enrolment may also be initiated by the student.
- k) Cancellation of enrolment - The provider notifies the Department of Education through PRISMS that it wishes to permanently cancel (terminate) the student's enrolment. Once this process is complete, the student's CoE status will be listed as 'cancelled'.

ACCOMMODATION AND WELFARE POLICY

Villanova College is a CRICOS-registered provider (Registration 03693G) which enrolls younger students under 18 years of age.

As part of its registration obligations, Villanova College must satisfy Commonwealth and State legislation, as well as any other regulatory requirements, relating to child welfare and protection for any overseas student enrolled who is under 18 years of age.

These obligations include ensuring that all overseas students under 18 years of age are given age and culturally appropriate information on:

- Who to contact in emergency situations, including contact number(s) of a nominated staff member, and
- How to seek assistance and report any incident or allegation involving actual or alleged sexual, physical or other abuse.

Villanova College has documented procedures relating to child welfare and safety and will implement these procedures in the event that there are any concerns for the welfare of a student under 18 years of age.

Accommodation and care options for overseas students under 18 years of age

Villanova College approves the following accommodation and care options for overseas students:

1. The student will live with a parent or relative approved by the Department of Home Affairs (Immigration).

In this case:

- i) Villanova College does **not** provide a welfare letter (CAAW) via PRISMS. The student's family completes Form 157N and provides proof of relationship to the Department of Home Affairs (Immigration) at the time of visa application for approval of these arrangements. The Department of Home Affairs (Immigration) must also approve any further change of welfare arrangements.
- ii) If the adult responsible for the welfare, accommodation and other support arrangements for a student under 18 years holds a [Student guardian Visa \(subclass 590\)](#) all obligations and conditions of this visa must be met, including:
 - a) not leaving Australia without the nominating student unless there are compassionate and compelling circumstances and the College has first approved alternative welfare and accommodation arrangements for the student for the adult's period of absence, and
 - b) advising the Department of Home Affairs (Immigration) of any change of address, passport or other changes of circumstances.

Villanova College requires holders of Student Guardian Visas to:

- i) maintain Overseas Visitor Health Cover for themselves and any dependent children living with them in Australia
- ii) immediately advise Villanova College of any change to address or contact details
- iii) immediately advise Villanova College if there are any compassionate or compelling reasons to travel overseas or not be at home for an extended period of time to care for the student.

If there is a valid reason for travelling overseas, and Villanova College is able to approve alternative accommodation and care arrangements for the student for the period of the student guardian visa holder's absence, Villanova College will provide documentation approving temporary care arrangements for the student to the student's guardian and for the Department of Home Affairs (Immigration) via PRISMS.

If there is not a valid reason for travelling overseas, or if Villanova College is not able to approve alternative accommodation and care arrangements for the student for the period of the student guardian visa holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, Villanova College will advise if compulsory attendance requirements will or will not be affected by the student's absence.

2. The student will live in Villanova College approved accommodation and welfare arrangements and Villanova College will generate the welfare letter (CAAW) via PRISMS to accompany the student's Confirmation of Enrolment (CoE).

Accommodation options that may be approved by Villanova College for full fee paying 500 visa subclass students under 18 years of age include:

- i. Homestay Program operated by Australian Homestay Network (AHN), [AHN - Australian Homestay Network - Hosting Australia](#)
- ii. Private accommodation and care arrangements requested by the parent but approved by Villanova College which meet all requirements under relevant state and commonwealth legislation.

Villanova College will maintain approval of accommodation and care arrangements until:

- i) The student completes the course and departs Australia
- ii) The student turns 18 years
- iii) any appeals processes in relation to Villanova College's intentions to cancel the student's enrolment has been finalised (including suspensions, cancellation, course progress and attendance)
- iv) the student has alternative welfare arrangements approved by another registered provider
- v) a parent or nominated relative approved by the Department of Home Affairs (Immigration) assumes care of the student
- vi) Villanova College has notified the Department of Home Affairs (Immigration) that it is no longer able to approve the student's welfare arrangements and has taken the required action after not being able to contact the student.

Any accommodation, welfare and other support arrangements for the student must be approved by Villanova College, including arrangements provided by third parties.

Accommodation and care arrangements are checked prior to approval and at least every six months thereafter to ensure they are appropriate to the student's age and needs.

Any adults involved in or providing accommodation and welfare arrangements to the student have a Blue Card as appropriate [Blue Card Service website](#)

Any changes to approved arrangements must also be approved by Villanova College. This includes any requests by students under 18 years of age to attend 'Schoolies Week' on completion of Year 12.

If a student cannot be located and Villanova College has concerns for his welfare, Villanova College will contact the student's parent(s)/ legal guardian(s) and notify the police and any other relevant authorities.

If a student for whom Villanova College has issued a CAAW refuses to maintain approved arrangements, Villanova College will report this to the Department of Home Affairs (Immigration) and advise the student to contact the Department of Home Affairs (Immigration) to ensure visa implications are understood:

[DHA enquiries](#)

In the event of a significant or critical welfare issue involving the student, and if determined necessary by Villanova College, a parent, legal guardian or approved relative agrees to travel to a designated location as soon as possible to assume care of the student until the situation has been resolved to Villanova College's satisfaction.

If a parent/nominated guardian wishes to assume welfare responsibility, the parent/nominated guardian must notify Villanova College as soon as practicable of their intentions and must provide Villanova College with written evidence of a guardian visa grant.

3. For school vacation periods, students under 18 years of age for whom Villanova College has issued a CAAW will:

- i) return home to parents, or
- ii) continue to live in / is placed in Homestay arranged and approved by Villanova College and AHN (Australian Homestay Network), or
- iii) apply for approval to spend the vacation with relatives or a friend's family, or
- iv) apply to attend a supervised excursion, camp, etc. if all requirements are met in order to obtain Villanova College's approval, or
- v) student's parents travel to Australia for the vacation period and assume all welfare responsibilities for the student.

All international students for whom Villanova College hold a signed Welfare Letter (CAAW) must complete and return the International Student Holiday Intention Form at least three weeks prior to the end of each school term.

Villanova College reserves the right to refuse any holiday arrangement request if it is determined not to be in the best interest of the student. This will be communicated in writing to the student and their parents, and an alternative arrangement will be proposed.

If Villanova College has taken responsibility for approving arrangements for student care and welfare, should Villanova College not approve requests for changes to agreed arrangements and the student refuses to maintain the approved and agreed arrangements, Villanova College will advise the student that this will be reported to the Department Home Affairs (Immigration) and the student will need to contact the Department to ensure that his visa implications are understood. (See Department of Immigration office addresses at: <https://immi.homeaffairs.gov.au/help-support/contact-us/offices-and-locations/list>).

Students intending to leave Brisbane at any time must inform Villanova College by completing an International Student Holiday Intention Form. Please note that in order to ensure that the student meets both Villanova College and ESOS' minimum school attendance requirements students should not contemplate being absent from class during term time.

4. Accommodation options for students 18 years and older:

It is a condition of enrolment that students over 18 years of age also maintain College approved accommodation arrangements.

- i) Homestay Program, including private arrangements requested by a parent
- ii) The student will live with a parent or relative approved by the Department of Home Affairs (Immigration)

5. For school vacation periods, the following accommodation options are available to students 18 years and older:

- iii) Student may spend vacation with friend's family or relatives, provided details are given
- iv) Student may attend a supervised excursion, camp, etc... provided details are given
- v) Student may travel unaccompanied during vacation periods, provided details are given

6. Homestay / private accommodation arrangements at Villanova College

The Homestay arrangements operated by AHN and approved by Villanova College meet Queensland legislative requirements for child protection as well as Standard 5 of the 2018 National Code of Practice for Providers of Education and Training to Overseas Students.

These include:

- i) Continuous dates for approved welfare arrangements
- ii) Documented procedures for checking suitability of accommodation, support and general welfare arrangements before a student is placed in an approved arrangement, and at least every six months thereafter, covering
 - Guidelines for selecting, screening and monitoring each family and ensuring the family can provide age-appropriate care and facilities for the duration of the student's enrolment at Villanova College

OVERSEAS STUDENT HEALTH COVER

International students must obtain Overseas Student Health Cover (OSHC) for the duration of their study course in Australia. Students must also maintain awareness of the renewal date of their Overseas Student Health Cover and understand that in accordance with the Department of Immigration regulations failure to do so will result in cancellation of their visa.

The students will need to arrange their own Health Cover and supply Villanova College and the Department of Immigration with a copy of the policy. A copy of the Certificate of Insurance must be provided to the Villanova College Enrolments Officer before commencing at the College.

COMPLAINTS AND APPEALS POLICY

Principles

Villanova College recognises a student's right to make a complaint and is committed to addressing complaints and grievances effectively and fairly.

The College aims to address complaints and grievances through a resolution process that:

- is impartial and fair to all parties involved;
- is carried out with transparency and consistency;
- is accessible and available to all students;
- is handled within established timelines;
- respects the privacy of all parties involved;
- is appropriate for dealing with complex and sensitive issues.

A student making a complaint or grievance has the right to a fair and thorough investigation, based on the principles of this policy. A student may make a complaint or grievance without fear of reprisals.

A copy of this policy will be provided to the student (or parent(s) / legal guardian(s) if the student is under 18) at a reasonable time prior to a Written Agreement being signed and again during orientation or within seven days of the commencement of student attendance of the enrolled course.

1. Purpose

- a) The purpose of Villanova College's Complaints and Appeals Policy is to provide a student or their parent(s) / legal guardian(s) with the opportunity to access procedures to facilitate the resolution of a dispute or complaint involving Villanova College, or an education agent or third party engaged by Villanova College to deliver a service on behalf of Villanova College.
- b) The internal complaints and appeals processes are conciliatory and non-legal.

2. Complaints against other students

Grievances brought by a student against another student will be dealt with under Villanova College's Community Code of Conduct and the process of Restorative Practices.

3. Informal Complaints Resolution

- a) In the first instance, Villanova College requests there is an attempt to informally resolve the issue through mediation/informal resolution of the complaint.
- b) Students should contact the Dean of International Students and the relevant Head of School in the first instance to attempt mediation/informal resolution of the complaint.
- c) If the matter cannot be resolved through mediation, the matter will be referred to the Principal and Villanova College's internal formal complaints and appeals handling procedure will be followed.

4. Formal Internal Complaints Handling and Appeals Process

- a) The process of this grievance procedure is confidential, and any complaints or appeals are a matter between the parties concerned and those directly involved in the complaints handling process.
- b) The student must notify Villanova College in writing of the nature and details of the complaint or appeal.
- c) Written complaints or appeals are to be lodged with the Principal.
- d) Where the internal complaints and appeals process is being accessed because the student has received notice by Villanova College that Villanova College intends to report him for unsatisfactory course attendance, unsatisfactory course progress or suspension or cancellation of enrolment, the student has 20 working days from the date of receipt of notification in which to lodge a written appeal.
- e) Complaints and appeals processes are available to students at no cost.
- f) Each complainant has the opportunity to present his case to the Principal.
- g) Students and/or Villanova College may be accompanied and assisted by a support person to all relevant meetings.
- h) The formal complaints process will commence within 10 working days of the lodgement of the complaint or appeal with the Principal and will be finalised as soon as practicable.
- i) For the duration of the internal complaints and appeals process the student's enrolment will be maintained, as required under the National Code of Practice for Providers of Education and Training to Overseas Students 2018 and the student must continue to attend classes.

However, if the Principal deems that the student's health or well-being, or the well-being of others is at risk he may decide to suspend or cancel the student's enrolment before the complaints and appeals process has been assessed or fully completed. In such cases, the student may still lodge a complaint or appeal, even if the student is offshore.

- j) Once the Principal has come to a decision regarding the complaint or appeal, the student will be informed in writing of the outcome and the reasons for the outcome and a copy will be retained on the student's file.
- k) If the complaints and appeals procedure find in favour of the student, Villanova College will immediately implement the decision and any corrective and preventative action required and advise the student of the outcome and action taken.
- l) Where the outcome of a complaint or appeal is not in the student's favour, Villanova College will advise the student within 10 working days of concluding the internal review of the student's right to access the external appeals process.

However, Villanova College is only obliged to await the outcome of an external appeal if the matter relates to a breach of course progress or attendance requirements. For all other issues, Villanova College may take action (including making changes to the student's enrolment status in PRISMS) in accordance with the outcome of the internal appeal.

5. External Appeals Processes

- a) If the student is dissatisfied with the conduct or result of the internal complaints and appeals procedure, he may contact and / or seek redress through the Overseas Student

Ombudsman at no cost. Please see: <http://ombudsman.gov.au/How-we-can-help/overseas-students> or phone 1300 362 072 for more information.

- b) If the student wishes to appeal against a decision made by Villanova College that relates to being reported for a breach of course progress or attendance requirements (under Standard 8), the student must lodge this appeal with the Overseas Student Ombudsman's Office within 10 working days of being notified of the outcome of his internal appeal.
- c) If a student wishes to appeal a decision made by Villanova College that relates to:
 - i) refusal to approve a transfer application (under Standard 7), or
 - ii) suspension or cancellation of the student's enrolment (under Standard 9)
 - iii) any choice to lodge an external appeal with the Overseas Student Ombudsman is at the student's discretion. Villanova College need not await the outcome of any external appeal lodged before implementing the outcome of the internal appeal.

6. Other legal redress

Nothing in Villanova College's Complaints and Appeals Policy negates the right of an overseas student to pursue other legal remedies.

8. Provider Default

Any default by Villanova College must be compliant with the current provisions of the ESOS Act 2000 and the ESOS Regulations 2019.

- a) If for any reason Villanova College is unable to offer a course on an agreed starting day for the course, and the student for some reason cannot be placed or refuses placement in an alternative course arranged by Villanova College, a full refund of any unused tuition fees* received by Villanova College with respect to the student will be made within 14 days of the agreed course starting day.
- b) If for any reason Villanova College is unable to continue offering a course after the student commences a course, and the student for some reason cannot be placed or refuses placement in an alternative course arranged by Villanova College, a full refund of any unused tuition fees* received by the College with respect to the student will be made within 14 days of Villanova College's default day.
- c) In the event that Villanova College is unable to fulfil its obligations with respect to providing an agreeable alternative course for the student, or a refund, the student will receive assistance from the Australian Government's Tuition Protection Service (TPS). For information on the TPS, please see: www.tps.gov.au/StaticContent/Get/StudentInformation
**The calculation of the refund due in this case is prescribed by a legislative instrument (s. 7 of Education Services for Overseas Students (Calculation of Refund) Specification 2014).*
<http://www.comlaw.gov.au/Details/F2014L00907>
- d) If the student changes visa status (e.g. becomes a temporary or permanent resident) he will continue to pay full overseas student's fees for the duration of that year.
- e) Where such a VET provider goes into default:
 - I. From a financial perspective, because the VET component falls under the College's CRICOS registration, the student's fees for the course (including the VET components) are protected by virtue of the College's CRICOS registration.
 - II. From a course delivery perspective, if the RTO Villanova College has partnered with closes or is otherwise unable to deliver the VET component, we must ensure that the student is still able to complete the secondary school course for which their visa has been issued. This could mean engaging in an alternative VET provider to deliver the VET components or if this is not possible, offering alternative secondary school subjects which meet the requirements for completing the school qualification.

9. This Written Agreement and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.

Definitions

QUEENSLAND CERTIFICATE OF EDUCATION AND SENIOR CERTIFICATION

The Queensland Certificate of Education (QCE) is a qualification awarded to eligible students at the completion of Year 12. Queensland students must be registered with the QCAA (Queensland Curriculum and Assessment Authority) in the year before their senior studies begin. This generally occurs in Year 10.

Learning Outcomes and Requirements

The QCE offers flexibility in what is learnt, where it is learnt and when it is learnt. There is a wide range of learning options amongst the academic choices.

To be awarded a QCE, students must have at least 20 credits in a set pattern and at the set standard and fulfil literacy and numeracy requirements.

Planning for a QCE

A Senior Education and Training (SET) Plan is used to assist students as they plan their senior studies and ambitions beyond school. Incorporating interests and abilities, the SET Plan is finalised while the student completes Year 10. It is a document that is supported by the student, his parents and the College.

Monitoring Progress

When a student is registered the QCAA opens a Learning Account for them. This account details the student's learning and results of any completed courses of study. Students are able to access their account through the student portal on the QCAA website.

Awarding a QCE

Most students are awarded a QCE at the end of Year 12. Students who do not meet the QCE requirements at the end of Year 12 can continue to work towards their certificate in the years following graduation.

All students who complete Year 12 receive a Senior Statement, which is issued in December.

After completing Year 12, students who become eligible for the award of a QCE will receive a Statement of Results. A Statement of Results is a cumulative transcript of their Learning Account. These will be issued every July and December.

Tertiary entrance and the QCE

The requirements for a QCE are different to those for tertiary entrance. Students should check the Queensland Tertiary Admissions Centre (QTAC) Website for accurate tertiary entrance information.
