Whether your son is just starting out or looking to sharpen his skills, we offer a fun, inclusive, and development-focused cricket experience.

### Why Choose Villa?

- Skill Development at the Core

This year we're boosting our coaching team, with at least one qualified coach per six players. Sessions will be structured to focus on skill acquisition in a fun environment. So, whether your son is a keeper, spin bowler, open bat etc... we can help him reach his goals.

- Convenient Morning Trainings

All training is held at Little Langlands nets, 6:30–8:00am – ideal for school drop-off.

- Access to Top Facilities

Many teams play home games at Villa Park, with turf wicket access for higher division teams.

- No Gear? No Problem.

Full team kits provided for players who need equipment.

- End-of-Season BBQ & Presentations

Celebrate the season with teammates at our annual break-up BBQ at Villa Park.
