

VILLANOVA COLLEGE

29 October 2025

Dear Parents and Caregivers

As we prepare for the 2026 school year, Villanova College is pleased to announce a new partnership with Box of Books, part of the Officeworks Group, as our preferred supplier of stationery items. Box of Books has supported the College for several years as our digital textbook provider, and we are delighted to expand this partnership to include the supply of stationery resources.

All year level stationery lists can now be found on Parent Lounge. To access these, please log in to Parent Lounge, select the top menu 'School Links', and then choose 'Stationery Lists'. These lists outline the items your son will need for his relevant year level and subjects in 2026.

Also available are step-by-step instructions for completing your online registration, selecting the required items, and placing your order through Box of Books. Please read these instructions carefully to ensure your order is processed correctly.

Please note that orders should be completed by **Sunday, 7 December 2025**. Box of Books will be unable to guarantee stock for orders submitted after this date.

Students in Years 8–11 have now received confirmation of their 2026 subject allocations via email. We ask that parents check these subject confirmations with their son prior to ordering stationery.

Year Level Information

Years 5–7 (2026)

All Year 5 to 7 students study a set of core subjects. Parents and carers should ensure that their son has all the items listed on the stationery requirements for his year level.

Years 8–9 (2026)

Students currently in Years 7 and 8 have completed their subject selection processes for 2026.

- For families with students entering **Year 8**, please ensure that the core subjects — English, Mathematics, Religious Education, Science, HASS, HPE, Italian, and Chinese — are included when placing your order, as these subjects are not listed in the subject confirmation email.
- For families with students entering **Year 9**, please ensure that the core subjects — English, Mathematics, Religious Education, Science, History, and HPE — are also included when ordering stationery.

Years 10–11 (2026)

Students currently in Years 9 and 10 have also engaged in the subject selection process for 2026. Families should order only the items indicated as compulsory or that pertain specifically to their son's chosen subjects.

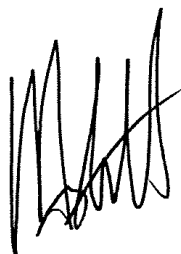

Year 12 (2026)

Year 12 students will continue with their current senior course of study in 2026. Parents and carers should ensure that their son has the required stationery items for each of his subjects.

We thank you for your support in preparing your son for the academic year ahead and for your attention to the ordering process.

If you have any questions regarding stationery requirements or the Box of Books ordering system, please contact the Teaching and Learning Office at the College.

Yours sincerely

Kirk Astill
Acting Dean of Teaching and Learning
