

VILLANOVA COLLEGE

Dear Parents and Caregivers,

We are pleased to introduce a new district representative school sport program providing students with opportunities to represent our region across a wide range of sports.

Our College is now affiliated with the **Central Sharks District** for School Sport. This replaces the former Lytton & Composite district. Below is a small extract of information released by the Metropolitan East Sport Office regarding the process/changes.

About Metropolitan East School Sport

- One of 12 regions coordinating representative school sport across Queensland
- Open to students from any affiliated school, regardless of system
- It covers a broad area from the Bay Islands to Logan City (some schools outside these boundaries remain members)

How district sport works

- Students are first nominated through their school to attend district trials
- Districts nominate athletes to regional trials, where Metropolitan East teams are selected
- Students must know their district and trial details to participate

New districts for 2026 (ages 10–19)

- Central Sharks
- Mt Gravatt Echidnas
- Redlands Roos
- Riverside Rays
- Southside Sea Eagles

District trials & selection

- Trials are run by trained volunteer officials
- Schools must confirm student eligibility, readiness, and skill level
- Selection panels ensure fair and transparent processes
- Selection decisions are final and accepted upon nomination
- **All paperwork must be submitted on the day – no paperwork, no trial**

What families need to do

- Nominate through your School Sports Office
- Monitor school communications for sports and trial dates
- Submit all consent forms on time
- Ensure students meet eligibility and safety requirements

More information

- Metropolitan East School Sport: <https://meteastschoolsport.eq.edu.au>
- District sport overview: <https://meteastschoolsport.eq.edu.au/district-sport>
- District pages are available on the website

We are committed to delivering an inclusive, transparent and positive representative sport pathway for all students. For enquiries, please contact your School Sports Coordinator or HPE Teacher.

Thank you for your continued support as we launch our five new districts within the Metropolitan East School Sport region.

Warm regards,
 Todd Kropp
 Regional Sport Coordinator
