

MyVilla Locker Room

All College sport information is now accessible in one central location: MyVilla.

Sport information has transitioned from Student Café to the [MyVilla Locker Room](#), which can be found through the Co-curricular page on MyVilla.

The MyVilla Locker Room is now the main place for families to access important co-curricular sport information. This includes team lists, weekly fixtures, training schedules, sport news, game changes, cancellations and other important updates throughout the season.

Each sport also has its own specific page, which can be accessed by selecting the relevant sport tile, such as Football, Rugby League, Tennis or Basketball. These sport-specific pages will include information such as coach lists, by-laws, training details, program information, files, links and news posts relevant to that sport.

Families are encouraged to regularly check MyVilla and turn on push notifications to ensure they receive the most up-to-date information regarding training, games and any last-minute changes or cancellations.

MyVilla is now the central location for Villanova College co-curricular sport communication, replacing the previous use of Student Café for sport information.

How to Navigate Co-curricular Pages on MyVilla

Parent and Student Guide

1. Navigate to the Co-Curricular Tile

2. Click on Locker Room

3. Co-curricular Locker Room Home Page

This is the main sport page on MyVilla.

From this page, families can select a sport tile to open the page for that sport. Each sport page includes extra information specific to that sport.

The **Team Lists** section is also found on this page. Families can select the tile for the relevant sport to view team list information.

The **Weekly Fixtures** tile is where weekly draws and game information will be posted.

Training Schedules are available for the term.

2. Latest Sports Information

The **Latest Sports Information** section is where general sport news and updates will be posted.

Families should turn on **push notifications** so they receive important updates about training, games, changes or cancellations.

This page also includes tiles that link to extra sport information, such as:

- AIC Live Stream
- AIC Draw
- Sport Selection Policy
- AIC Code of Conduct
- VNC Merchandise
- Villa Park Sports Facilities

3. Drop-down Information Sections

Further sport information can be found by opening the green drop-down tabs.

Families can select the arrow on each tab to view more information about areas such as:

- District and representative sport
- Term initiatives
- Sport trials and training
- AIC sport contacts
- Parent volunteers

4. Individual Sport Pages

Each sport has its own page with sport-specific information. Navigate

For example, the Football page includes news, general information, files and links to important documents.

Sport-specific updates will be posted in the **News** section on that sport page. This may include training information, game updates or cancellations.

On the right-hand side of the sport page, families may also find tiles for:

- Coaches lists
- By-laws
- Sport program information

These tiles link to extra information for that sport.
