VILLANOVA COLLEGE

28 October 2026

Dear Parents and Caregivers

As we prepare for the 2027 school year, Villanova College will continue to use Box of Books, part of the Officeworks Group, as our preferred supplier of stationery items. Following our first year of stationery supply through Box of Books, the College and supplier have reviewed the ordering, fulfilment and delivery processes for 2027. A number of changes have been introduced to provide families with a more streamlined ordering process and improved service experience.

All year level stationery lists can be found on myVilla. To access these, please log in to myVilla, and navigate to 'My Groups', and then select the relevant Communication page. The stationery lists for each year level is available for your son. These lists outline the items your son will need for his relevant year level and subjects in 2027.

Step-by-step instructions are also available to assist families with online registration, selecting the required items and placing an order through Box of Books. Please read these instructions carefully to ensure your order is completed correctly.
